Recently DCCC constructed an **Exercise and Fitness Trail** with $\frac{1}{2}$, 1, and 2 mile courses and 20 exercise stations. We are currently involved in expanding our Physical Education facilities. An addition, our indoor P.E. complex will include 3 racquetball courts (with mezzanine viewing), 2 large exercise/aerobic rooms, and an indoor exercise track. ON-CAMPUS HOUSING

At DCCC, we believe that a students' social, as well as academic, success hinges on how satisfied they are with their new "home-away-from-home." Not only do we offer three different styles of on-campus housing, but we are ready to put them up against any Kansas on-campus facilities for quality, looks and comfort! DCCC housing consists of:

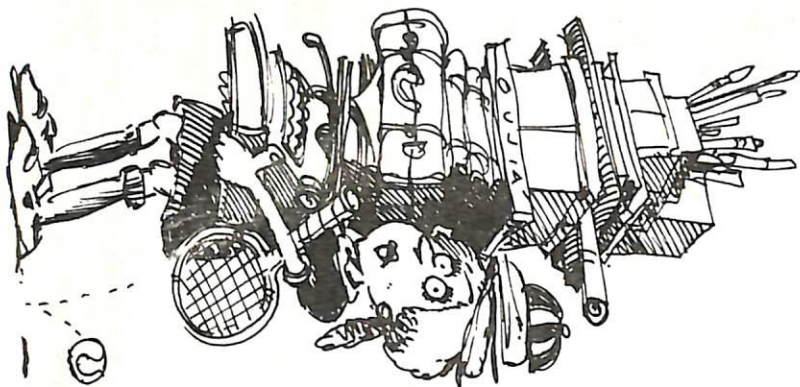

★ **Shelden Hall--** "Traditional Dormitory"
(2 to a room with a shared-suite bathroom)

★ **Russell-Revitte and**
★ **Gleckler-Zollars--** "Complex Living"
(6 in 3 bedroom studios)

★ **Sites-Franklin--** "Apartment-Style"
(Sophomores only)

Freshmen are **NOT** required to live on-campus, but are encouraged to do so. Meeting and interacting with others is also important in building the "well-rounded" student.

All four on-campus housing complexes cost the same per semester. The cost for room and board (including 18 meals per week) is \$1,045.00 (per semester). A \$100.00 deposit is required to insure your accommodations. Your deposit should be submitted **before April 1** to reserve a room for the fall semester.
